

Community Conservation Challenge

The Challenge has begun! Half of the teams have reduced their water use compared with the three year average and overall water use has been reduced by those participating in the challenge. The weather in June has helped, but it appears that with the return of more 'summer-like' weather, reducing water use will be even more of a challenge. Please contact me at 978-318-3250 or pcote@concordma.gov if you have questions or suggestions. Many thanks to you for participating!

Summer 2009 Water Use Compared with 3-year Average

CONCORD PUBLIC WORKS
Water and Sewer Division
135 Keyes Road
Concord, MA 01742
978-318-3250

This project is funded in part by MassDEP
